Good Morning George,

While conducting extra patrol this morning to the problem locations, Gina was not at this location. Unfortunately she moves around so much it is difficult to have resources provide outreach to her. I spoke with your BID bike patrol this morning at the corner of Ord and Hill and he didn't mention Gina. She must have arrived shortly after.

We do have DMH coming out to speak to Theo at Alpine Rec Center next week.

Have a great day.

Senior Lead Officer Elizabeth Ortega
